

How to activate e-DDPI on Espresso App

Your Espresso App is designed to provide you a seamless trading experience. You can now also activate your e-DDPI on the same without any hassles. Just follow the below given steps.

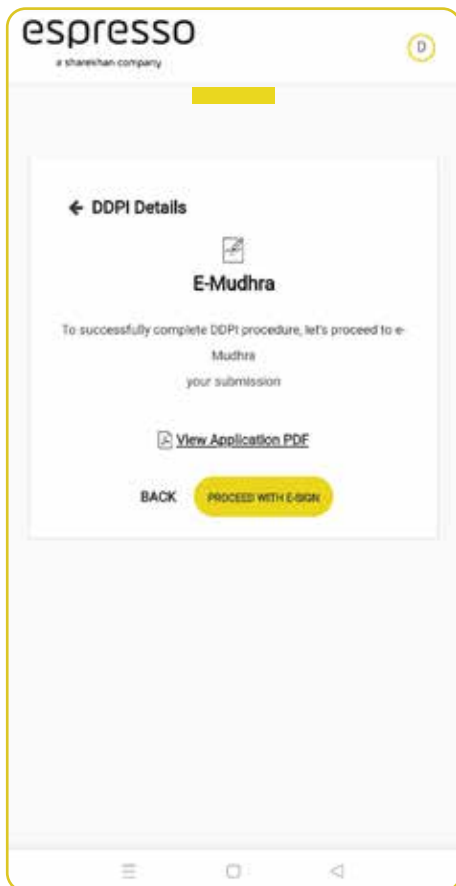

1. Log in to the Espresso App and tap the Hamburger menu.
2. Click on the Profile icon at the bottom.
3. In the TRADING PROFILE window that opens, you will see the DDPI option. Click UPDATE to begin the activation journey.

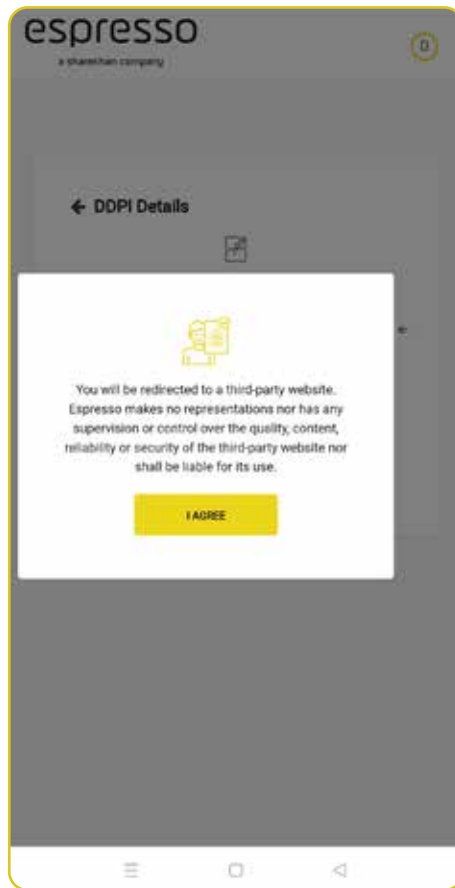

4. You will land on a page similar to the following CMC screen. Scroll down, go through the T&Cs and tick the box and click SUBMIT to proceed. This will start the e-Sign journey.

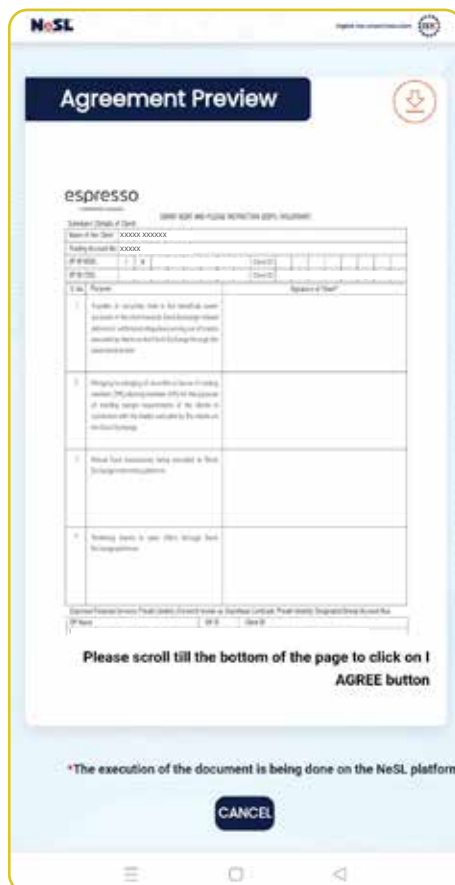

5. The e-Sign screen looks as follows. Click PROCEED WITH E-SIGN:

6. You will see this pop-up. Click I AGREE:

7. You will now be redirected to the NeSL website and the below Agreement Preview will appear

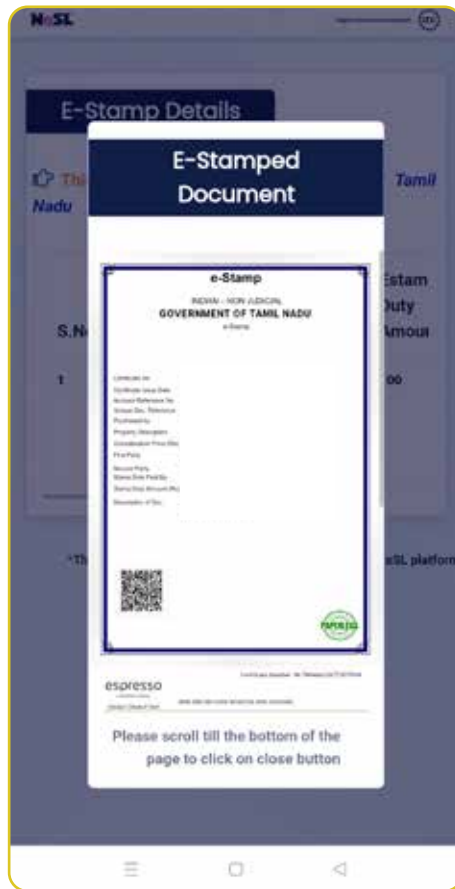

8. You will see the Agreement Preview, as follows. Click on I AGREE at the bottom to proceed:

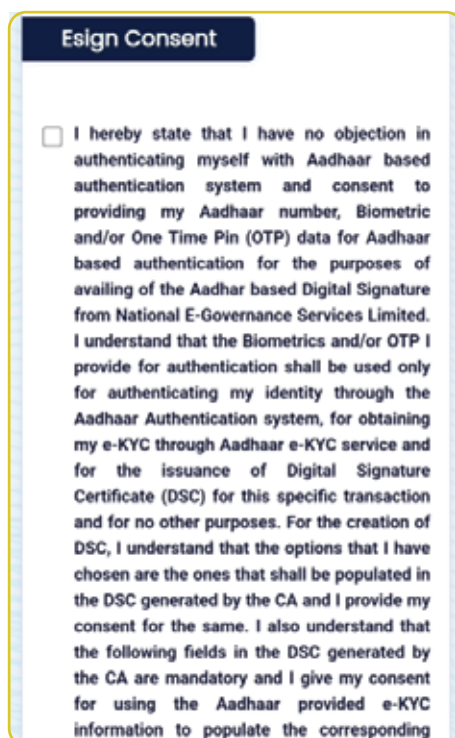

9. You will now see the e-Stamp Details page. Review the details and click Next (don't worry, the e-Stamp Duty amount will be paid by Espresso):

10. Now the e-Stamped Document will be displayed. Scroll and click CLOSE to proceed.

11. The e-Sign Consent Document is now displayed for you to confirm on. Tick the consent checkbox at the top, click OTP Based e-Sign and click e-Sign at the bottom to proceed:

with IBBI (Information Utility) Regulations, 2017 and the Technical Standards guidelines issued thereunder. I also hereby declare that I am aware of the exclusion of certain instruments from the purview of digital execution under the First Schedule of the Information Technology Act, 2000 and that digital execution is not a valid mode of execution for the instruments mentioned therein.

Document signing method

 **OTP Based Esign.**

 **Biometric Based Esign.**

 **e-Token Based Esign.**

*The execution of the document is being done on the NeSL platform

Esign

12. The GOI-backed e-Sign website should now open, where you can e-Sign using Aadhaar-backed OTP:

esign.egov-nsdl.com

protean

NEEL E-INFRASTRUCTURE LIMITED has requested to digitally sign the document
Transaction ID: AADP624802249 Aaadid 12025-10-01T17:48:03

Please click on the checkbox and enter Aadhaar/Virtual ID

I hereby authorize Protean eGov Technologies Limited (formerly NSDL e-Governance Infrastructure Limited) to

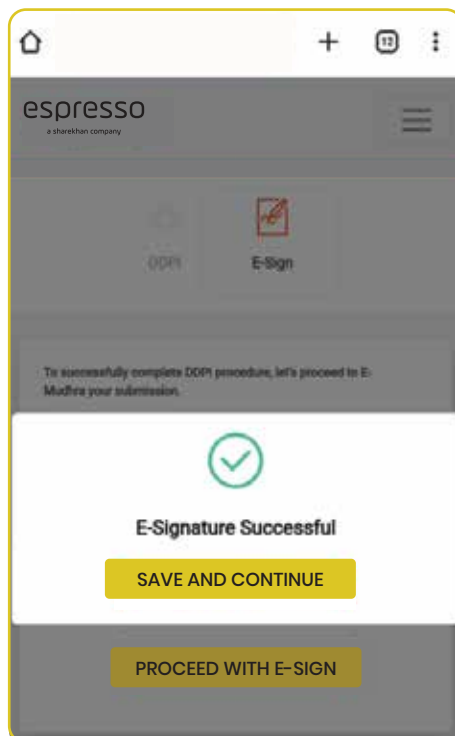

1. Use my Aadhaar / Virtual ID details (as applicable) onboarding document, general agreements, terms and conditions etc for/with NEEL E-INFRASTRUCTURE LIMITED and authenticate my identity through the Aadhaar Authentication system (Aadhaar based e-KYC services of UIDAI) in accordance with the provisions of the Aadhaar (Targeted Delivery of Financial and other Subsidies, Benefits and Services) Act, 2016 and the allied rules and regulations notified thereunder and for no other purpose.
2. Authenticate my Aadhaar / Virtual ID through OTP or Biometric for authenticating my identity through the Aadhaar Authentication

VID/Aadhaar:
